The Student Representative (student_rep) role has limited booking capabilities. You can book rooms, labs, and projectors for your own timetable periods, and request hall bookings for events. Bookings can be made up to 6 days in advance (faculty and secretaries can book up to 60 days ahead). You also have access to the Messages feature.

2. Login

1. Open the application in your browser.
2. Enter your Student Rep User ID and password.
3. Click Login -- you will reach the Home page.

3. Sidebar Navigation

- Home -- Welcome screen.
- Facilitywise Booking -- Browse all rooms, labs, projectors by date.
- My Bookings -- View and manage your own period-based bookings.

- Messages -- View notifications and messages.
